Poole & Shaffery, LLP Celebrates 10th Anniversary With Donations

Law firm presents checks to LETMESAIL and Small Business Development Center

SANTA CLARITA – To mark its 10th anniversary, Poole & Shaffery, LLP, the Santa Clarita Valley’s largest business law firm, presented contributions totaling \$17,000 to LETMESAIL and the College of the Canyons Small Business Development Center during a Wednesday evening celebration.

The firm sponsored the Santa Clarita Valley Chamber of Commerce’s May “Business After Hours” networking event. During the party, partners John Shaffery and David Poole surprised representatives from LETMESAIL and the SBDC by presenting them with oversize checks for \$12,000 and \$5,000, respectively.

“We owe a debt of gratitude to this community for the past 10 years of our firm’s success. As our way of saying thanks, we wanted to assist these two organizations that do so much for so many in the Santa Clarita Valley,” Shaffery said.

“It’s a privilege for us to partner with LETMESAIL and the Small Business Development Center. Both organizations are helping people in their respective ways and we’re proud to assist them in their endeavors,” Poole said.

Poole & Shaffery, LLP has been a founding sponsor of both LETMESAIL and the SBDC. LETMESAIL was launched in 2005 and provides therapeutic, social, recreational and educational opportunities for differently-abled individuals with disabilities and their families, enabling them to lead more independent, healthy and enriched lives. The SBDC, which has its offices at the Santa Clarita Valley Chamber of Commerce, helps existing and emerging small business owners grow and develop their businesses by offering a variety of services.

“We couldn’t do what we do without Poole & Shaffery,” said LETMESAIL’s CEO Gary Spindt. “Their ongoing compassion and generosity have enabled us to expand our program of activities, purchase equipment and supplies, and improve our outreach, all of which provide a tremendous benefit to our clients and their families.”
